2022 #20

ARTIST NAME: Keeley Disher  
AGE: 17  
MEDIUM USED: Sterling Silver and a Abrothos Island Akoya Pearl

TITLE: Legend of the sea

**INSPIRATION:**  
My inspiration for this piece was the mythical legend of the Kraken. The Kraken is a legendary sea monster, said to appear on the coast of Norway. They say it terrorized the sailing ships and sailors. I chose this because of the theme of Nautical Myths and Legends, and the Kraken to me, is one of the most iconic legends of the ocean.

**2023 Theme: Tribute to The Animal Kingdom**

From the beginning of time Animals have been a fascinating for us. Their existence has been shaped through our love of nature and our neglect of it. We draw inspiration from their characters and colours and find love with them by our side. We pay respect to all animals that have lived on this earth, in our seas and in our dreams. Your designs can be of the tiny fish and butterfly to the giant elephants and dragons. You also have the freedom to create whatever inspires you!
